Stellar Test House, G-68, Sector 63, Noida (UP), NABL accredited laboratory is renewed by the ADG(Border) for testing of building and road construction material including Non-Destructive test for CPWD works for a period of 1 year from the date of issue of this letter, subject to following conditions: -

1. The renewal is granted for 1 year subject to validity of NABL approval. The approval shall automatically lapse after the expiry of NABL approval unless got renewed.
2. The renewal given does not absolve the supervisory officer of CPWD of their responsibility towards ensuring quality of work.
3. Above renewal does not make the firm eligible for claiming right to take work done through them which is subjected to their competitive stand amongst other qualifying specialized firms in the field to avail material testing facilities and discretion of the field units in places where Govt lab and engineering college etc. exist to avail material testing facilities.
4. The rate of the testing of material should not be more than central or state Govt Institution / Laboratory and market rate whichever is less. Field officers should check these rates before placing the order for testing.
5. Renewal can be withdrawn prematurely without assigning any reason on complaints or uncalled for action of the lab.
6. Field staff may witness the testing if so, required by them.
7. The performance of the firm shall be watched by field units and submitted to the approving authority before expiry of validity of approval.
8. The renewal shall be applicable to the jurisdiction of region ADG(Border).
9. Stellar Test House Lab shall have valid calibrations certificate of equipment's/machines from NABL approved authority at all times.
